ABOUT UPCOMING BOOK

Agrawal Titans

AGROHA Business World is coming up with a landmark publication — AGROHA TITANS.

This prestigious book will feature 100 eminent business personalities from the Agrawal Community — visionary leaders who have built powerful brands and created a significant impact across diverse industries and sectors.

Through AGROHA TITANS, we aim to bring forward the inspiring journeys of these living legends—their struggles, their growth stories, and the values that shaped their success. Their experiences will serve as a guiding light for both aspiring entrepreneurs and established business owners within our community.

This initiative is our effort to celebrate excellence, document legacy, and inspire generations of Agrawal entrepreneurs.

While this first volume will showcase 100 remarkable personalities, we strongly believe that this number only scratches the surface. The Agrawal community is filled with countless inspiring stories, and with the success of this edition, we look forward to bringing many more such volumes in the future.

AGROHA TITANS is not just a book — it is the beginning of a legacy.
